Message Board:

We are working towards the Multiplication Check in June. Please encourage the children to continue practising their times tables, in particular the 6s 7s 8s and 9s.

Please remember wellington boots if your child wishes to play on the field at lunchtimes - hoping for drier weather soon!

Water bottle reminder - regular 500ml size please - no huge bottles as they do not fit on the table. And water only please.

How can you help?

Reading - 5 times a week recorded in their planners please.

Times table practice - x12
Including TTRockStars Battle of the Bands focusing on the tricky 15.
