

Partnership with Families: Phonics Screening Check

Teach a child to read and keep that child reading and we will change everything.

And I mean everything.

Jeanette Winterson

The more graphemes children learn to read and write, the more words they will be able to read and spell, and, as they decode unfamiliar words, they encounter new vocabulary.

What is the Phonics Screening Check?

Teach every child to read

Virtual Classroom films

skipping

How do I use the Virtual Classroom?

1. Set aside 10 minutes to watch a film with your child each day.
2. Find a quiet space for your child to watch the film on a laptop or tablet.
3. Praise your child as they join in with the lesson – make it fun!

The more they practise using these films, the quicker they'll learn to read.
